Nursery Renovation

This summer, our building was filled with children, volunteers, music, curiosity, and joy. Throughout the month of June, we had 8 elementary age children, 4 middle school students, and 5 adults participated in Indiana Disciples Regional summer camps. We welcomed 75 children and 45 volunteers for VBS in early July. And we kicked off the school year by celebrating our children, students, educators, and school personnel, blessed backpacks and teacher bags, dedicated seven children, and dedicated our renewed Children's Education Hall.

Thank you for the many ways you helped prepare a place where children and families know they are loved and belong.

At Work in Our Community

THANK YOU to all those who filled treasure chests with food during VBS! It will be greatly appreciated by those who receive it.

In the months of May and June, the CLM (Center for Lay Ministry) Food Pantry helped 328 clients who have never needed food assistance before. A total of 3290 clients were served during those 2 months.

The Food Pantry serves anyone who lives in Indiana and needs food. Sadly, the need is growing and the resources are dwindling. For years, Dare to Care has helped to supply the Food Pantry

with pallets of non-perishable food, but this year they only able to provide occasional fresh produce. USDA no longer provides as much as it has in past years.

This means that the CLM Food pantry relies more and more on individual donations to help feed hungry people in our area. That's why the VBS Food Drive is so greatly appreciated!
